Mrs. Jeannie Fleeman
5705 Northgate Road
Rogers, AR 72758

Dear Jeannie,

Thank you for your generous gifts this past year to provide for families during their personal cancer journey.

Through your gifts, you have helped 5,162 cancer patients in our region. Support services and resources were provided to address their individual needs, crisis intervention, and empower coping skills to help with the anxiety that is often experienced with a cancer diagnosis. In addition, patients received financial assistance, Spanish interpretation, tobacco cessation, restorative personal exercise training, and transportation to ensure access to care ... *All because you gave.*

We are honored to receive your gifts and to be able to serve families in our community. For questions about your annual statement, please contact Ashley Brownfield at (479) 361-5847, ext. 145. This statement represents gifts received from January 1 through December 31, 2023.

Sincerely,

Gay Prescott

Vice President of Development

P.S. Below is a note from a patient. I wanted you to know your gift truly makes a difference.

"Everyone is so very friendly and helpful. They made me so comfortable and treated me like family. The social worker made me feel like I was worth saving and helping. And that made a big difference to me. They have been so helpful in making me comfortable and answering my questions and concerns." Grateful Patient

We provide compassionate, professional cancer support and education in the Northwest Arkansas region today and tomorrow.
